

DR. COMSTOCK, DENTIST,

WOULD AGAIN ANNOUNCE TO HIS FRIENDS AND
patrons, in

GUILFORD, AND ITS VICINITY,

that he is now in this place on a PROFESSIONAL VISIT, and
has his office at

Bridges Hotel

(N.M.)

where he will be happy to meet any of his former patrons, and
any others who may desire his services.

He does not think it necessary to say anything in regard to
his operations, as the public are already sufficiently acquainted
with them to judge for themselves.

Dr. C. would take this opportunity of saying that it is his in-
tention, in future, to visit Guilford regularly, once every three
or four months---and as all his operations are warranted for one
year, this arrangement will give every one an opportunity of
keeping their teeth in perfect order. Those who desire teeth
inserted on plate, may now have those which are decayed re-
moved, and any other operations performed which may be ne-
cessary, preparatory to receiving them at his next visit.

GUILFORD,

Ap[ril] 10/1861
